# Step 1

Cut each blue card out. It's up to you if you want to leave the trains on the page or cut them out!

# Step 2

Laminate the cards, so they will hold up over time.

# Step 3

Add reusable putty or velcro dots to the trains and blue cards to make the cards stick exactly where you want them!

# Free SLP Carrier Phrase Trains

Each sound has sets of trains that allow you to create 2, 3, and 4 word utterances. (Tip: If you want to create longer utterances, cut out train cars from the extra pages and add them on to the train!)

Below each set of picture cards, there are blank trains and a train with "an".(For those pesky words that start with a vowel sound!)

Another tip: Kids love to draw their own pictures on the empty trains!

Get silly and create silly adjective trains!
